Beaujolais-Villages A.O.P.  
Domaines des Hospices  
Civils de Lyon

**Color :** Red

**Variety :** Gamay noir à jus blanc 100%

**Area :** Beaujolais-Villages appellation is produced on 39 villages located from the North of the Beaujolais region (where the 10 crus are produced) to the middle, where is produced most of the Beaujolais-Villages. Our Beaujolais-Villages is produced on the village of Le Perréon.

**Surface area :** 7 hectares

**Estate :** The Estate of Hospices Civils de Lyon was created thanks successive donations over centuries, especially during the 1880-1920 period. The total benefits generated by this estate are affected to improve the accomodation of patients in the hospital. Since the 1994 harvest, COLLIN-BOURISSET is the exclusive distributor of Beaujolais-Villages des hospices Civils de Lyon.

**Soil :** Granite and clay

**Wine making process :** Manual harvest exclusively. Traditional Beaujolais vinification with submerged cap. Maceration of 7 to 10 days.

**Tasting :** Nice ruby color, complex nose that reminds spices and fruits. Soft, delicate and fruity wine, very typical of the Beaujolais-Villages A.O.P. with a undeniable elegance. To be served between 12 and 14°C on its own, or with terrines and grilled red meats.
